

St. Louis is a World Class City

General Membership Meeting February 8, 2012

In 1876, residents of the City of Saint Louis voted to separate from Saint Louis County and ever since the region has regretted that action and suffered because of it. A group of ordinary St. Louis citizens is engaged in a grass roots effort to promote St. Louis as a World Class City. If St. Louis City and St. Louis County were considered one entity, it would be the equivalent in population to the 8th largest city in the USA!

The Mission of STL--World Class City is to lay the foundation for St. Louis County to extend its boundaries to include St. Louis City no later than the 250th Anniversary of the City in 2014, and thus become the 92nd municipality in St. Louis County.

Our speaker, Dr. Charles Schmitz, along with Saint Louis businessman, Bill Frisella, is the Co-Founder of the organization **Saint Louis is a World Class City**.

**Spazio Westport
